

MAMTA RANI

UX/UI DESIGNER | PRODUCT & INTERACTION DESIGN

mamta.rani.de@gmail.com | +491785624888 | Berlin, Germany

Portfolio: <https://mamtaraniux.github.io/portfolio/>

SUMMARY

UX/UI designer focused on creating simple, intuitive digital experiences. With a background in fashion design and marketing, I bring a strong sense of visual design, structure, and user thinking. I actively use AI-assisted workflows (ChatGPT, Figma AI, Codex, Lovable) to explore ideas, prototype faster, and iterate efficiently.

KEY COMPETENCIES

- UX/UI Design
 - Branding & Visual Identity
 - Wireframing & Prototyping
 - Marketing & Communication Design
 - Typography
 - Usability & User-Centered Design
 - Figma
 - Basic HTML & CSS
-

PROJECTS

ClariBench AI – SaaS Analytics Dashboard

Simplified complex analytics into a structured dashboard, improving clarity and reducing cognitive load. Focused on visual hierarchy, intuitive navigation, and structured UI to reduce cognitive load and improve usability.

Cafe Website – UX/UI Design & Frontend Development

Designed and developed a responsive cafe website with a focus on clean layout, visual hierarchy, and user-friendly navigation. Implemented using HTML and CSS to ensure a seamless experience across devices.

PupWell – Mobile App Design

Designed a user-friendly pet care mobile application focused on simplicity and ease of use. Created intuitive navigation, clear user flows, and visually balanced screens to enhance user experience.

QuitePulse – Mindfulness & Breathing App

Designed a calm and minimal mobile app interface focused on relaxation and breathing exercises. Applied clean layout, typography, and spacing to create a soothing and distraction-free user experience.

PROFESSIONAL EXPERIENCE

Marketing Manager Intern Apr 2024 – Sep 2024

Fachhochschule des Mittelstandes (FHM), Berlin

- Designed visual and marketing materials for digital platforms
- Applied layout, typography, and brand consistency in communication assets
- Supported user engagement through clear and structured design

Founder & Brand Manager – Fashion Boutique Oct 2018 – Oct 2021

Harpnoor Creations, India

- Founded and managed a fashion brand, developing complete visual identity
- Designed branding, marketing materials, and product presentation
- Applied typography, layout, and color systems to maintain brand consistency
- Worked closely with customers to understand needs and improve overall experience
